#### Vanpooling

Thinking outside the bus... Did you know STA offers Vanpooling – the least expensive way to commute the longer distances to work? Groups of 5 - 15 people can share their ride and cost using a van provided by STA. If you have a schedule that's relatively consistent, you're a good prospect!

STA provides the van, fuel, maintenance and insurance; you provide the driver and passengers. Vanpooling reduces gasoline, parking costs, traffic hassles, vehicle emissions – and lets you arrive at work or home more rested and relaxed.

Check out www.spokanetransit.com/vanpool to see if there's already a vanpool on the road that meets your commuting needs. If you're interested in starting a vanpool of your own, our program makes it a snap! Call 509-326-POOL (7665).
