AGENDA ITEM 5 : BOARD MEMBER TRAVEL TO 2023 AMERICAN PUBLIC
TRANSPORTATION ASSOCIATION (APTA) CONFERENCES

REFERRAL COMMITTEE: n/a

SUBMITTED BY: E. Susan Meyer, Chief Executive Officer

SUMMARY: STA Bylaws require Board approval for Board member travel.

The American Public Transportation Association (APTA) has scheduled its 2023 Legislative Conference in Washington, D.C., March 12-14, 2023. In addition to the conference, there will be opportunities for staff and Board members to meet with legislators and Federal Transit Administration (FTA) staff.

Also of interest to Board members is the APTA EXPO TRANSform Conference in Orlando, Florida, which will be held October 8-11, 2023.

STA has budgeted for up to eight Board members to attend APTA conferences in the 2023 year at an approximate cost of \$3,000 each.

RECOMMENDATION TO COMMITTEE: Review and recommend the Board approve, by motion, travel for up to eight Board members to attend APTA conferences in 2023.

AGENDA ITEM 7 : AWARD OF CONTRACT FOR DRUG AND ALCOHOL TESTING AND DOT PHYSICALS – RECOMMENDATION

REFERRAL COMMITTEE: n/a

SUBMITTED BY: Nancy Williams, Chief Human Resources Officer
Jeff Smith, Senior Human Resources Specialist

SUMMARY: The current Drug and Alcohol Testing, DOT Physicals, and Occupational Medicine Services contract with MultiCare expired on December 31, 2022, and cannot be extended or renewed. The purpose of a new contract is to provide DOT and non-DOT drug and alcohol testing, DOT physical examinations and recertifications, and occupational medicine services necessary to manage and reduce the risk of injury for STA employees. (To cover any drug and alcohol testing and DOT physicals that occur between January 1, 2023, and the execution of this contract, a blanket purchase order has been issued.) Drug and alcohol services are required for compliance with 49 CFR Part 40 and STA's Drug and Alcohol Program and Policy.

RFP 2022-10715 was issued on October 18, 2022, for Drug and Alcohol Testing, DOT Physicals, and Occupational Medicine Services. One responsive proposal was received from DGT Enterprises LLC, dba Spokane Testing Solutions, however, this firm did not propose on Part 3, Occupational Medicine Services. (No award will be made for Part 3 at this time; however, a second blanket purchase order will be issued to cover any of these costs until a contract is secured.)

On November 17, 2022, the evaluation committee met to review the responsive proposal and evaluated based on the following criteria: (1) Price, (2) Qualifications, Experience, and References, (3) Project Organization, Staffing Plan, and Management Plan, (4) Technical Approach and Workplan, and (5) Compliance with Technical Requirements. Based on these criteria, Spokane Testing Solutions received an average score of 95.6 among the five evaluation committee members.

The total estimated five-year cost of services is projected to be between \$539,982 and \$703,040 (excluding sales tax). The previous five-year contract was issued for an estimated \$171,445 with a final cost spending of \$144,973. This increase in cost is a result of increased prices, employee turnover, and overall company-wide growth.

RECOMMENDATION TO COMMITTEE: By motion, recommend the Board approve the Award of Contract for Drug and Alcohol Testing and DOT Physicals to Spokane Testing Solutions.

AGENDA ITEM 8 : JULY 2023 SERVICE REVISIONS: DRAFT RECOMMENDATION –
INFORMATION

REFERRAL COMMITTEE: n/a

SUBMITTED BY: Karl Otterstrom, Chief Planning & Development Officer
Lukas Yanni, Principal Transit Planner

SUMMARY: Board-adopted plans anticipate the implementation of the City Line and other service improvements in July 2023. Staff have drafted a set of recommended service revisions in the pursuit of these improvements, but at a more modest growth rate than originally planned.

BACKGROUND: In May 2021 the STA Board of Directors approved a package of major service revisions that was planned to take effect May 2022 with the launch of the City Line and other key service improvements identified in the *STA Moving Forward* plan. Later the same year, the Board identified and approved additional service improvements to support regional growth as part of a package of Near-Term Improvements (Resolution No. 790-21). These improvements were envisioned to be implemented over several years beginning in 2022.

In October 2021 the CEO reported to the board on disruptions to the supply chain for City Line station shelters that resulted in shifting the project launch date to July 2023. Instead of shifting all service improvements to this new date, staff planned for a phased implementation of the approved May 2022 Service Revisions and Near-Term Investments with the first tranche representing an approximate 3.6% growth in service going into effect August 2022. A second and final phase was contemplated for July 2023 and identified in the board-approved 2023-2028 Transit Development Plan.

Throughout 2022, STA's services have been impacted by staffing challenges. These are not unique to STA or the transit industry and have been reported to the STA Board of Directors in multiple instances beginning in March 2022. Service growth requires more operators and STA continues to recruit and grow the workforce. However, as a mitigating tactic in response to ongoing disruptions in the labor market, STA now proposes to present and seek approval on recommended service revisions that align service growth relative to projected workforce availability. Additionally, staff are proposing revisions to respond to customer feedback and ridership changes that have been received or observed since the service revisions and Near-Term Investments were approved in 2021.

The July 2023 Service Revisions: Draft Recommendation report will be posted online no later than January 11 at <https://www.spokanetransit.com/projects/july-2023-service-revisions/>. Staff will review the draft revisions recommended in the report during the January 11 Committee meeting.

RECOMMENDATION TO COMMITTEE: Receive report.

AGENDA ITEM 9 : STATE BUSES AND BUS FACILITIES GRANT – UPDATED APPLICATION RATIFICATION

REFERRAL COMMITTEE: n/a

SUBMITTED BY: Karl Otterstrom, Chief Planning & Development Officer
Matt Kenney, Principal Transit Planner

SUMMARY: Staff are seeking ratification of the final grant request and local match commitment for the West Plains Transit Center Operational Enhancements project, as submitted for funding to the State.

BACKGROUND: On December 15, 2022, the STA Board authorized staff to submit a grant application for the Washington State Buses and Bus Facilities Grant program for the West Plains Transit Center Operational Enhancements project, a project identified in late 2022 to improve the effectiveness of the facility for riders and operators. STA staff have identified the need for upgrades at the West Plains Transit Center that could be eligible for funding. These will likely include:

- Retrofits to existing bus bays and adjacent pavement to improve vehicle maneuvering
- Added bus layover and passenger loading capacity above planned requirements for future proofing
- Small storage facility for maintenance equipment used for STA facilities on the West Plains
- Added amenities for passengers
- Expanded restroom and layover facilities for operators

The Washington State Buses and Bus Facilities grants provide funding to transit agencies for the replacement, expansion, rehabilitation, and purchase of transit rolling stock; construction, modification, or rehabilitation of transit facilities; and funding to adapt to technological change or innovation through the retrofitting of transit rolling stock and facilities. This grant is supported by state funding through the 16-year Move Ahead Washington transportation package. The Washington State Department of Transportation (WSDOT) recently released the 2023-2025 funding opportunity with applications due Tuesday, January 10, 2023. WSDOT anticipates up to \$37.5 million in state funding for State Buses and Bus Facilities grants in the 2023-2025 biennium. The Legislature will determine the funding level during the 2023 legislative session and notice of awards will be announced by May 22, 2023. The grant program requires a minimum 20% funding match.

At the time of past board review of the funding opportunity, rough order-of-magnitude cost estimates for the proposed project were presented, indicating the project could be approximately \$5 million, with STA seeking \$4 million, or 80%, in grant funding.

STA submitted the grant application on the deadline of January 10, 2023. Part of the preparatory work for the application was developing preliminary cost estimates. Based on the scope, comparisons to similar work, and conservative estimates for contingency, the preliminary cost estimate is \$7 million. This led to STA requesting \$5.6 million, or 80%, of the project's preliminary cost estimate, which in turn will require \$1.4 million in local match.

RECOMMENDATION TO COMMITTEE: Recommend the Board of Directors ratify, by motion, the submission of a grant application dated January 10, 2023, seeking \$5.6 million for the West Plains Transit Center Operational Enhancements with \$1.4 million in local matching funds.
