# **INTRODUCTION**

## Agency Overview

The Spokane Transit Authority (STA) is a Public Transportation Benefit Area (PTBA) organized and operating under the Revised Code of Washington (RCW) Chapter 36.57A, as a municipal corporation in the State of Washington. STA provides public transportation services within its boundaries which extend to roughly 248 square miles. The State of Washington Office of Financial Management estimates that 475,470 people were living within the PTBA in 2024. STA services include:

- 1. Local fixed route bus services in the City of Spokane, City of Spokane Valley, City of Liberty Lake, City of Millwood, City of Airway Heights, City of Medical Lake, City of Cheney and Spokane County;
- 2. Paratransit services for those who live within ¾ mile of a bus route and who, because of their disability, are unable to use the regular bus service;
- 3. A public rideshare (formerly vanpool) and ride match program.

The organization currently employs nearly 735 people.

## Governance and Organization

The Board of Directors provides the policy and legislative direction for STA and its administrators and approves its actions, budgets, and long-term plans. It also has the authority to levy taxes as authorized by state law (with voter approval).

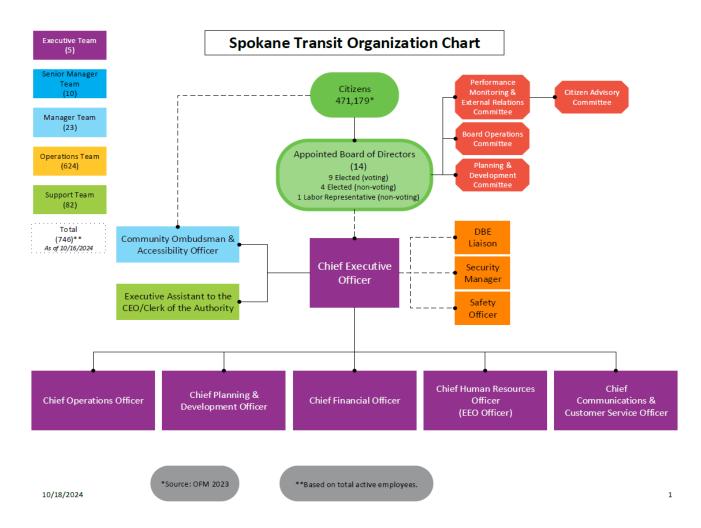

The STA Board is composed of nine voting members who are elected officials appointed by the jurisdictions in the PTBA. Jurisdictions include the cities of Airway Heights, Cheney, Medical Lake, Millwood, Liberty Lake, Spokane, and Spokane Valley as well as Spokane County. Additionally, there are four non-voting elected officials from area small cities, and one non-voting representative of labor unions, for a total of 14 Board members. The current make-up of the Board is shown in the following table.

#### 2024 Board of Directors

Name	Jurisdiction
Commissioner Al French, Chair	Spokane County
Mayor Pamela Haley, Chair Pro Tem	City of Spokane Valley
Commissioner Josh Kerns	Spokane County
Deputy Mayor Tim Hattenburg	City of Spokane Valley
Council President Betsy Wilkerson	City of Spokane
Council Member Zack Zappone	City of Spokane
Council Member Paul Dillon	City of Spokane
Council Member Kitty Klitzke	City of Spokane
Council Member Dan Dunne	City of Liberty Lake
Mayor Chris Grover	City of Cheney (Ex-Officio)
Council Member Lance Speirs	City of Medical Lake (Ex-Officio)
Council Member Dan Sander	City of Millwood (Ex-Officio)
Council Member Hank Bynaker	City of Airway Heights (Ex-Officio)
Ms. Rhonda Bowers	Labor Representative (non-voting)

#### **Spokane Transit Organizational Chart**

The Chief Executive Officer is appointed by the Board and oversees the administration of the agency directed by the policy guidance established by the Board of Directors. STA's Organization Chart is shown below:

# Vision, Mission & Organizational Priorities

STA strives to encourage increased ridership while providing high quality, convenient and reasonably priced services by living by its Vision and embodying its Mission every day in everything it does. The Organizational Priorities convey STA's key tenets in upholding its promise to its riders, employees and the broader community it serves.

#### Vision

Connecting everyone to opportunity

#### Mission

We provide safe, inclusive, convenient, and efficient public transportation services to Spokane area communities. We are leaders in transportation and a valued partner in the region's social fabric, economic infrastructure, and quality of life.

#### **STA Organizational Priorities**

- 1. Ensure Safety
- 2. Earn and Retain the Community's Trust
- 3. Provide Outstanding Customer Service
- 4. Enable Organizational Success
- 5. Exemplify Financial Stewardship

## STA Planning Framework

STA's strategies, plans and actions are anchored in a framework which includes a series of documents which range in scope and time horizons beginning with its comprehensive plan, *Connect Spokane*, the core long-range planning and policy-setting document for the Agency. The next level in the framework is comprised of strategic planning, with STA in the late delivery stage of its current 10-year plan, *STA Moving Forward*, and in the development stage of its next 10-year plan, *Connect 2035*. The six-year Transit Development Plan (TDP), a state-required annual report, provides mid-range guidance, over a six-year period, about the deliverables for the Agency from a service and capital perspective. Lastly, the Annual Plan and Budget, the focus of this report, encapsulates the one-year efforts STA will undertake. Depicted in the following pyramid is the hierarchy of those plans to guide STA as it architects its future.

# Annual Plan / Budget Transit Development Plan Includes: Service Improvement Program Capital Improvement Program Transit Asset Management Plan Strategic Plan STA Moving Forward / Connect 2035 Connect Spokane: A Comprehensive Plan for Public Transportation

#### 2025 Action Plan

The 2025 Action Plan links STA's vision, mission and priorities to actions and activities which the Agency will undertake in 2025, bound together by a definition of organizational success. It reflects the ninth year of implementation of the STA Moving Forward plan, while launching implementation of STA's new strategic plan, Connect 2035, envisioned to guide investments and strategic actions through 2035.

The actions and activities for 2025 are centered around the strategic goals defined and adopted in the foundation of the *Connect 2035* strategic plan to create alignment as the Agency begins the transition to its next future milestone in 2035.

#### Action 1: Elevate the customer experience.

STA provides safe, inclusive, convenient, and efficient public transportation services to Spokane area communities. Fostering an easy-to-use, safe, and inviting experience promotes STA as a compelling transportation choice across the region. STA strives to improve the customer experience in every interaction they may have with the agency. From how to plan a trip, pay a fare, and provide feedback, STA wants every touch to reinforce the value it places on its riders. The following projects will be the agency's key deliverables in supporting this first action along with the continued refinement of its existing service.

- <u>Pilot a safety ambassador program</u> This initiative was identified in *Connect 2035* strategic planning and is
  included in the 2025 budget. Trained personnel are envisioned to regularly engage with customers throughout
  the Fixed Route bus system, providing information and a safe environment for riders and employees. This
  initiative is aimed at providing more "eyes on the streets" to deter undesirable behavior and enhance journeys
  for customers.
- <u>Sprague Line</u> STA launched Route 9 Sprague in September 2024, refreshing the longstanding frequent service in the corridor as a High-Performance Transit corridor. Additional stop improvements will be made in 2025, subject to property easements and acquisitions.
- I-90/Valley Corridor Interstate 90 represents a major east-west axis for regional trip-making. In late 2025, STA will launch Route 7, the numbering of a High-Performance Transit route between Spokane Airport and Liberty Lake, serving downtown Spokane and the expanded Mirabeau Transit Center. Key stops along the corridor will see improvements. A future station along this corridor is Argonne Station Park and Ride. Design is expected to progress during 2025 to enable construction to begin the following year.
- <u>Division Street BRT</u> Division Street Bus Rapid Transit is a crucial project complementary to the North Spokane
  Corridor and supportive of continued transit effectiveness and community vitality in north Spokane. STA has
  secured state, federal, and local funding to begin Project Development. STA expects to begin 60% design in 2025,
  while also submitting the project for a Small Starts project rating from the Federal Transit Administration, a key
  milestone in preparing for a future Capital Investment Grant (CIG) award.
- Expand adoption of the Connect card and introduce enhancements STA will continue to create new partnerships with groups who will benefit from transit access and expand opportunities for youth to take advantage of the state-supported zero-fare program by expanding access through school districts, libraries, and other venues where youth interact. Enhancements, such as website customizations to improve useability and data collection for STA specific programs, will be developed as needed to provide the best possible experience for transit riders.
- Other Connect 2035 Initiatives The STA Board of Directors will adopt the full Connect 2035 strategic plan before the conclusion of 2024. Several initiatives oriented toward the customer experience are likely to take place or begin in 2025.

# Action 2: Lead and collaborate with community partners to enhance the quality of life in the region.

STA operates in its region's ecosystem, delivering transportation options for community members. Creating strong partnerships will ensure that the Agency makes informed choices, through collaboration, that benefit everyone and contribute to the vibrancy and sustainability of this region now and in the future. The Agency will focus its efforts to support this second goal in 2025 through the following undertakings:

- Partner in planning, developing, and implementing regional transportation and land use decisions STA's investments in High Performance Transit and Bus Rapid Transit (BRT) are shifting the land economics and investment decisions around these corridors. A broad group of stakeholders including elected officials, investors, developers, city staff, and riders are realizing the benefit of the high-quality, frequent, and predictable service that the Agency provides. STA strives to facilitate increased private and public investment in corridors served by High Performance Transit and around key transit stations and facilities. In 2025, STA will accomplish this through continued engagement with these stakeholders in updates to the Urban Growth Area (UGA) as well as in the development of the regional transportation plan, Horizon 2050, in addition to other local comprehensive planning efforts. In addition, STA will make the case for residential and employment- growth near its service by identifying and selecting a suitable location to begin a pilot Transit-Oriented Development project in 2025.
- Implement Pilot of the Transit Oriented Development (TOD) Program STA will be launching a new TOD program in 2025, incentivizing partner jurisdictions to plan for increased densities and improved walkability surrounding HPT corridors and important transit nodes. The program is an initial pilot supported with funding identified by Board Resolution 790-21 adopted in December 2021, but may be continued as part of *Connect 2035*. Anticipated outcomes in 2025 include identifying areas of emphasis across the region to communicate relative priority for future TOD; releasing funding opportunities for selecting projects for technical assistance and station-area planning grants; and, evaluating STA-owned sites for potential TOD investments in the future.
- Expand outreach to community partners, especially civic and community-based organizations, and local governments to collaborate with STA on key efforts including an update to its Title VI Program Throughout 2024, STA ramped up engagement within the region to gather feedback on various planning endeavors, such as the updates to Connect Spokane and the continued development of Connect 2035 strategic plan. Continued progress in building relationships of trust is important for expanding the number of constructive conversations about transit along with other service improvements and projects being considered to ensure that underrepresented voices are being solicited, listened to, and reflected across these plans and efforts.
- Other Connect 2035 Initiatives The STA Board of Directors will adopt the full Connect 2035 strategic plan before the conclusion of 2024. Several initiatives oriented toward community collaboration are likely to take place or begin in 2025.

# Action 3: Strengthen STA's capacity to anticipate and respond to the demands of the region.

STA needs to grow and adapt to ever-changing conditions. Having a team who is well equipped and focused on the Agency's mission, along with strong supporting infrastructure, will provide the foundation required to deliver on the goals of this plan, balanced with providing reliable daily service. In support of this third goal, STA plans to do the following:

Advance the Facilities Master Plan
 toward preliminary siting and design —
 The Facilities Master Plan will address
 future system-wide requirements for
 STA's maintenance, operations, and
 administration facilities. It is anticipated
 to identify requirements that are beyond
 STA's current capital program and will

support strategic actions, such as zero-

emission fleets and growing service to the region. During the first half of 2025, the first phase of planning work will be completed, and is expected to detail the requirements and opportunity for a future "clean energy campus." A second phase of the Facilities Master Plan will commence by the second half of 2025, which will advance preliminary design of one or more facilities at specific sites, preparatory to completing environmental review and final design.

- Implement STA's fleet replacement plan, including additional charging infrastructure, while preparing for the next steps in transitioning of the fleet toward zero emission vehicles in the future – In 2025, STA will design additional on-route charging stations for construction and installation to support expanded daily use of the existing battery electric bus (BEB) fleet, for supporting BEB use primarily on routes 9 Sprague and 25 Division serving Spokane, Spokane Valley, and Spokane County.
- <u>Training and Development</u> Adapting to the needs
  of the future will be critical. STA will invest in its
  team members by developing and delivering
  comprehensive programs which will impart the
  skills and training required to respond to and
  anticipate these evolving needs.

Other Connect 2035 Initiatives – The STA Board of Directors will adopt the full Connect 2035 strategic plan
before the conclusion of 2024. Several initiatives oriented toward strengthening the agency's capacity may
begin in 2025.

# **2025 BUDGET**

#### **Executive Overview**

The current year (2024) has been a year marked with key milestones for STA. Ridership is on track to meet or exceed targets for 2024 bringing STA back to pre-COVID ridership levels. Progress on key projects has continued, including fulfilling the commitment of 10-minute frequency mid-day, 7.5-minute frequency at peak times, as well as extended late-night service on STA's first Bus Rapid Transit (BRT) route, the City Line. STA Board of Directors and staff have continued work on the second phase of the new 10-year strategic plan, Connect 2035 with adoption on December 19, 2024. The next BRT project, Division, is in the Project Development phase with the Federal Transit Administration for a federally funded project, and STA launched Route 9 Sprague in September 2024, refreshing the longstanding frequent service in the corridor as a High Performance Transit corridor. STA is also finishing a major update to its comprehensive plan, *Connect Spokane*, which will update foundational guidance and policies for the Agency.

As STA looks to 2025 and beyond, the Agency will keep the goal of exemplifying financial stewardship its primary focus. In addition, STA will keep in mind the economic and workforce uncertainties that surround it. The Spokane region continues to experience growth which comes with increasing traffic congestion, making STA's efforts to partner with the region to improve transportation essential. The 2025 actions and budget consider and provide as much anticipation to these elements which are outside of STA's control as possible and the Agency remains committed to planning and responding to changing expectations.

For STA in 2025, success will be defined by continued implementation of STA Moving Forward Plan, as well as starting implementation of the *Connect 2035* 10-year strategic plan which will provide the roadmap for impactful transportation investment in the region. The Agency's focus continues to be on making transit a convenient and

easy option for travelers, which will support economic growth and address the associated traffic challenges of a strong region.

Building on a strong legacy and the support of those STA serves, the Agency is committed to the next phase of public transportation in the Spokane region by providing existing and new customers with more choices and tools to improve their experience with an Agency they can trust. STA is excited at the new opportunities which have come forward in the strategic planning work and the ability to translate those into reality for customers and across communities, as the Agency strives to realize its vision of connecting everyone to opportunities.

## **Budget Process**

STA's budget process starts in late June each year. A Budget Calendar is published along with an Action Plan and Budget Guidance to aid staff in planning for any new Agency-wide initiatives which may impact the agency. In July, staffing levels are reviewed by the CEO and Executive Team to determine whether the positions requested are approved for addition to the budget. During July and August, department managers analyze and propose non-

personnel budgets and the salaries and benefits for all approved positions are calculated. The revenue budget is developed as well. The Draft Budget is presented to the Executive Team for review in late August with final draft documents completed in September.

The Budget is presented to the Board's Planning & Development Committee and to the Board of Directors three times in October, November, and December each year. First, in October, the initial Draft Budget is presented to the Planning & Development Committee and the STA Board. The Proposed Budget is then presented at the Planning & Development Committee Meeting and at the Public Hearing held during the November Board meeting. A video summarizing key elements of the budget is published on the STA website for employee, citizen and public outreach in November. The Final Proposed Budget is presented to the Planning & Development Committee and to the Board for review and adoption at the December meeting.

## Operating Budget

STA's 2025 Operating and Capital Budget is shown in the summary table below. Operating revenue of \$155.7M exceeds operating expenses of \$135.3M. The capital budget of \$67.5M is offset by capital grant revenue of \$14.8M for a net use of funds for capital of \$52.7M. Cash of \$48.7M is intentionally used to balance the budget in support of STA's priority of exemplifying financial stewardship by remaining debt-free. Total Sources and Uses of Funds are \$219.3M.

			Ar	nended 2025	\$ C	hange from	% Change from
	2	024 Budget		Budget	2	024 Budget	2024 Budget

Estimated Expenditures:							
Fixed Route	\$	78,970,783	\$	89,779,111	\$	10,808,328	13.7%
Paratransit		20,026,632		21,875,233		1,848,601	9.2%
Rideshare		908,949		955,926		46,977	5.2%
Plaza		3,525,016		4,103,871		578,854	16.4%
Administration		18,758,667		18,545,588		(213,078)	-1.1%
<b>Total Operating Expenses</b>	\$	122,190,047	\$	135,259,729	\$	13,069,682	10.7%
Capital Expenditures - Includes FR & PT Fleet		75,281,079		67,553,927		(7,727,152)	-10.3%
FR & PT Fleet Replacement Allocation		19,367,716		16,478,723		(2,888,993)	100.0%
Total Use of Funds	\$	216,838,842	\$	219,292,379	\$	2,453,536	1.1%

<sup>\*</sup> Represents net decrease in cash from Cash & Reserves of \$30,416,206 and a reduction in the Fleet Replacement Fund of \$18,318,023 for purchase of vehicles.

#### **Operating Revenues**

STA relies on three primary sources of revenue to fund its operations: 1) local, voter-approved sales tax, 2) fares, and 3) operating grant funding, both state and federal, along with interest and miscellaneous income. The Amended 2025 Budget includes Operating revenues of \$155,724,280. The following chart shows the major sources of revenue in tabular and graphical formats:

Operating Revenues by Category – 2023 Actual, 2024 Budget, Amended 2025 Budget

				Ar	mended 2025	Ch	ange 2025 to	Change 2025
Revenue Type	2023 Actual	2	2024 Budget		Budget		2024 (\$)	to 2024 (%)
Sales Tax Revenue	\$ 114,879,746	\$	108,869,671	\$	116,312,668	\$	7,442,998	6.8%
Fares & Other Transit Revenue	6,938,613		7,548,864		7,808,056		259,193	3.4%
Federal Preventive Maintenance Grant	10,863,286		11,189,186		12,837,846		1,648,660	14.7%
State Grants	9,247,716		10,190,867		10,275,706		84,839	0.8%
Miscellaneous Revenue	5,947,117		5,398,945		8,490,004		3,091,059	57.3%
Federal Stimulus Grants	20,079,508		-		-		_	0.0%
Total Revenues	\$ 167,955,985	\$	143,197,532	\$	155,724,280	\$	12,526,748	8.7%

Sales Tax – Budgeted sales tax, provided by a local voter-approved sales tax rate of 0.8 percent levied within the PTBA, is the most significant source of operating revenue. Sales tax represents 75.7 percent of the 2025 Operating Revenue budget. STA has experienced favorable sales tax revenue growth over the last three years (actual versus budget), with increases of 6.3%, 7.0%, and 3.9% for 2022, 2023, and 2024 (YTD through October), respectively. 2025 Budget looks at both the current year trending growth rate and the broader state of the national and local economy where there continue to be mixed signals.

As such, STA budgeted a one percent increase in sales tax over the latest twelve months of actual receipts. For 2025, this creates a growth of 6.8 percent over the 2024 budget. STA continues to closely monitor collections of sales tax so it can take any necessary compensating actions should economic conditions deteriorate. Any excess revenue generated by favorable sales tax collection variances are reinvested in the Agency's capital and operating program to support initiatives to be developed in the next 10-year strategic plan, *Connect 2035*.

**Passenger Fares** – Fare revenue is derived based on historical and forecasted ridership information, as shown below, combined with average fare per boarding.

#### **Ridership Summary**

					% Change
			Adopted	Change from	from 2024
	2023 Actual	2024 Budget	2025 Budget	2024 Budget	Budget
Fixed Route	8,947,157	9,159,766	10,390,000	1,230,234	13.4%
Paratransit	360,927	428,615	404,960	(23,655)	-5.5%
Rideshare	95,655	119,792	115,000	(4,792)	-4.0%
Total Ridership	9,403,739	9,708,173	10,909,960	1,201,787	12.4%

The average fare per fixed route boarding is expected to be \$0.64. Average fare per boarding varies due to the blend of fare types and overall ridership. There is no projected fare increase included in the 2025 Budget. The last fare increase occurred in 2019. The current Adult Fare is \$2.00 with a daily cap of \$4.00. The current Reduced Fare is \$1.00, with a daily cap of \$2.00. Youth who are 18 years of age and younger ride free.

STA's fare philosophy is anchored in its comprehensive plan, *Connect Spokane*, which articulates that ridership increases are achieved by making public transportation cost effective and simple to use. Depending on the operating

environment, type of transit service, and current demand, fares can play a role in the increase or decrease of ridership. The collection of fares means there is opportunity to provide more service to more people with the additional revenues.

Federal Preventive Maintenance - STA is a recipient of Federal section 5307 formula grant funds for preventive maintenance. Use of these funds for maintenance is authorized by the Federal Transit Administration (FTA). An increase in 5307 funding came with the passage of the Infrastructure Investment and Jobs Act which apportioned additional funding to transit agencies across the United States beginning in 2022 and is expected to continue over the next 5 years. In 2025, this federal operating funding represents 8.4 percent of Operating Revenues.

**State Grants** - STA receives funding from the Washington State Department of Transportation for special needs transportation. In addition, STA started receiving funding in 2023 from the Move Ahead Washington legislation, the state transportation package that provides funding for public transportation over the next 16 years. It is funded by the Climate Commitment Act. The Transit Support Grant requires agencies to provide zero-fare for youth eighteen years of age and under. These operating grants represent 6.7 percent of 2025 Operating revenues.

**Miscellaneous** - This revenue consists primarily of investment earnings. Interest income has increased due to an increase in average cash balance and higher interest rates. The interest rate assumption for 2025 is 3.5 percent.

**Federal Stimulus Grants** - One-time Federal contributions such as Coronavirus Aid, Relief, and Economic Security 2020 (CARES), Coronavirus Response and Relief Supplemental Appropriations Act 2021 (CRRSAA) and American Rescue Plan Act 2022 (ARPA) were included in Operating Revenues in 2022 and 2023. No one-time Federal grants were received in 2024 and are not anticipated for 2025 and beyond.

#### Operating Expenses

The Amended 2025 Operating Expense budget totals \$135,259,729 which represents the cost to maintain existing service levels in line with STA's Action Plan. Expenses are comprised of the following major functional and natural categories:

Expense Type by Function										
Amended 2025 Change 2025 to Change 2025										
Expense Type		2023 Actual	2	2024 Budget		Budget		2024 (\$)	to 2024 (%)	
Fixed Route	\$	68,540,549	\$	78,970,783	\$	89,779,111	\$	10,808,328	13.7%	
Paratransit		17,010,581		20,026,632		21,875,233		1,848,601	9.2%	
Rideshare		650,935		908,949		955,926		46,977	5.2%	
Plaza		2,537,238		3,525,016		4,103,871		578,855	16.4%	
Administration		15,601,317		18,758,667		18,545,588		(213,079)	-1.1%	
Total Expenses	\$	104,340,619	\$	122,190,047	\$	135,259,729	\$	13,069,682	10.7%	

Expense Type by Natural Category									
Amended 2025 Change 2025 to Change 2025									
Expense Type		2023 Actual	2	2024 Budget		Budget		2024 (\$)	to 2024 (%)
Salaries & Wages	\$	47,671,659	\$	50,065,161	\$	54,259,573	\$	4,194,413	8.4%
Benefits		24,360,495		32,602,999		35,744,839		3,141,840	9.6%
Services		5,752,423		7,485,105		7,877,877		392,772	5.2%
Contract Transportation		6,889,444		8,135,235		8,218,048		82,813	1.0%
Materials		14,496,716		17,069,581		21,271,770		4,202,189	24.6%
Other		5,169,882		6,831,967		7,887,622		1,055,655	15.5%
Total Expenses	\$	104,340,619	\$	122,190,047	\$	135,259,729	\$	13,069,682	10.7%

Operating expenses are most directly impacted by the number of revenue hours (a transit passenger vehicle in passenger carrying service for one hour) of service STA provides. Revenue miles are also a valuable indicator of the level of service activity. STA tracks each of these indicators by mode. The mode describes the type of service that STA provides:

**Fixed Route (Motor Bus)** - Fixed Route refers to regularly scheduled buses operating on established routes. This service is directly operated by STA. In 2023, STA introduced its first Bus Rapid Transit route, the City Line, which contributed to the budgeted increase in service hours with 15-minute service. The 2024 increase included service frequency of 10-minutes mid-day and extended late night service, 7.5-minute peak frequency, along with other improvements. The 2025 increase is impacted by the September 2024 service change as well as minor modifications to holiday service times occurring in 2025.

**Paratransit (Demand Response)** - Paratransit refers to the mode of service that provides a complementary service to fixed route for those unable to use the regular bus because of the effects of their disability as provided under the Americans with Disabilities Act (ADA). Directly operated service is provided by STA personnel during the day on weekdays while purchased service is provided by a private contractor on nights and weekends, and when additional weekday support is needed.

**Rideshare** - Rideshare (formerly known as Vanpool) is a service for prearranged groups of riders who commute to a common destination in a van owned and maintained by STA. One of the passengers is designated as the driver. Employers participating in the program may provide a subsidy to their employees as a part of the state commute trip reduction (CTR) program.

The following charts show the comparison of revenue hours and revenue miles by mode for 2023 Actual, 2024 Budget, and the Adopted 2025 Budget:

#### **Revenue Hours by Mode**

					% Change
			Adopted	Change from	from 2024
	2023 Actual	2024 Budget	2025 Budget	2024 Budget	Budget
Fixed Route	494,282	530,131	541,671	11,540	2.2%
Paratransit	163,201	165,861	167,339	1,478	0.9%
Rideshare	28,536	30,142	32,734	2,592	8.6%
<b>Total Revenue Hours</b>	686,019	726,134	741,744	15,610	2.1%

#### **Revenue Miles by Mode**

			Adopted	Change from	% Change from 2024
	2023 Actual	2024 Budget	2025 Budget	2024 Budget	Budget
Fixed Route	6,824,002	7,276,488	7,462,342	185,854	2.6%
Paratransit	2,316,653	2,642,377	2,595,919	(46,458)	-1.8%
Rideshare	1,016,131	1,070,516	1,070,516	-	0.0%
<b>Total Revenue Miles</b>	10,156,786	10,989,381	11,128,777	139,396	1.3%

Salaries & Wages – While directly influenced by the 2025 revenue hours assumptions and the associated labor required to provide the services, STA administers a competitive compensation program with wages inclusive of step increases for employees based on their tenure with the Agency, along with general wage increases. Staffing for 2025 includes 22 new positions, bringing the total budgeted count to 794 employees. Departmental employee detail can be found in the Employee section below. In 2025, the Agency will pilot a Safety Ambassador Program which accounts for 11 of the new positions. The estimated cost in 2025 is \$1 million. Overall, the increase in salaries & wages over 2024 reflects the new positions, contracted increases for ATU 1015, ATU 1598, AFSCME 3939, and general wage increases for management and administrative staff offset by the ending of the retention incentive program.

**Benefits** – The benefits budget includes assumptions for established cost increases, as well as known changes in required contribution rates. The two primary medical insurance programs offered by STA to its employees will increase by 3.9 percent and 6.88 percent, respectively, while the dental insurance premium remained the same as 2024.

**Services** – The services budget consists of professional and technical services, contract and custodial maintenance, printing, security, and other services. The increase is reflective of the work that will be undertaken with STA's information system consultants to complete a business continuity plan in 2025 as well as increased needs for custodial and facility engineering services at the Plaza.

**Contract Transportation** – As previously mentioned, STA engages a contractor to provide its Paratransit service on nights and weekends. The overall contracted transportation budget for 2025 is only slightly more than 2024.

Materials –Fuel is the largest component of the materials budget. The 2025 budget assumes a cost per gallon of diesel fuel at \$4.05 compared to the 2024 budget assumption of \$4.45 per gallon. STA gets estimated fuel prices from the U.S. Energy Information Administration (EIA). In addition, the cost of vehicle repair parts is anticipated to increase slightly in 2025. The 2025 supplies budget anticipates a 2.3 percent increase from the 2024 budget. This increase is impacted by the budget assumption for the cost of fare media and software licenses and maintenance offset by lower fuel costs.

Other – Other expenses consist of utilities, insurance and miscellaneous items which are reflecting an increase of 15.5 percent over the 2024 budget. Property and liability insurance is one of the key drivers of this increase. For the 2025 Budget, STA expects insurance costs to increase by 13.4 percent based on the rates provided by the Washington State Transit Insurance Pool (WSTIP), reflective of challenging insurance markets as insurance providers reduce the limits available for purchase.

#### Departmental Overview

#### **Operations**

#### **Fixed Route**

Fixed Route is the core of the Agency service and consists of the administration and delivery of fixed route bus service to customers, 365 days a year. Agency-wide, Fixed Route coordinates service delivery with other Departments, and formulates and implements Agency goals consistent with the mission of STA. Fixed Route includes all Coach Operators, Supervisors, Dispatch and Transportation administrative functions.

#### **Paratransit**

Paratransit is a door to door, shared ride complementary service to Fixed Route for those whose disabilities prevent them from taking the bus. Paratransit includes Van Operators, Transportation administration, Reservations, and

Dispatch. Paratransit service is provided by a contractor at night and on weekends. Paratransit also includes the Special Use Van and Surplus Van grant programs which provide transportation solutions to nonprofit organizations and community groups.

#### Rideshare

STA's rideshare program provides rideshare vehicles for groups of commuters who have at least one end of their commute in Spokane County. Rideshare staff provide day-to-day support to Rideshare participants including vehicle maintenance, recruitment and retention of participants as well as training of volunteer coordinators, drivers, and bookkeepers.

#### Vehicle Maintenance

Vehicle Maintenance is responsible for providing safe and reliable vehicles and equipment for the delivery of transportation services to customers, and in support of all other Agency business. They are involved in the selection and procurement of vehicles and parts, supplies, tools, and equipment while looking for ways to improve vehicle performance and safety to provide a clean, safe, reliable, and efficient environment for customers. The Department prepares the annual Transit Asset Management Plan.

#### **Facilities & Grounds Maintenance**

Facilities & Grounds Maintenance is responsible for STA's buildings and grounds, building systems, furnishings, and park and ride lots and bus stops. This includes STA's Administrative, Operating, and Maintenance Facilities and all Park and Ride facilities throughout STA's service area.

#### **Administrative**

#### Executive

The Chief Executive Officer (CEO) sets the overall direction, while providing supervision and coordination of the activities of the Agency in support of the vision and mission and in accordance with policies established by the Board of Directors. This includes the development and administration of Agency plans, services, programs, and policies and procedures. The Executive group also includes the Clerk of the Board who provides Board and CEO support, as well as the Ombudsman and Accessibility Officer.

#### **Planning & Development**

Planning & Development oversees the service planning, capital project delivery and grant administration and reporting activities for STA. Departmental staff design, monitor, and optimize fixed route bus services and develop routes for operators to select. The group is responsible for preparing the National Transit Database (NTD) report and submittal of the annual Transit Development Plan and STA's comprehensive plan to the Board for approval. Further, the department is responsible for the design and delivery of capital and operating projects approved by the Board of Directors.

#### **Human Resources**

Human Resources seeks to create a team of highly effective individuals to further STA's vision and mission.

Department staff accomplish this through the hiring, training and retention of employees committed to delivering outstanding public transportation. Human Resources manages the safety and security functions for the Agency. Safety responsibilities include the risk assessment of accidents and incidents, and review of all safety related documents, and Agency-wide safety trainings while Security covers oversight and patrolling of the Agency's facilities and vehicles to monitor and manage for security and safety-related conditions.

#### **Finance**

Finance is responsible for recording and maintaining the Agency's financial transactions and supporting documentation in conformance with all state and federal accounting regulations, generally accepted accounting principles and the Agency's own policies. In addition, reporting to the Chief Financial Officer are Information Services and Purchasing. Information Services (IS) is responsible for the support, maintenance, and governance of the Agency's information technology needs, including the management of cybersecurity risks. Purchasing administers the procurement of goods and services including oversight and monitoring of vendors, consultants, and contractors as well as contract development. Purchasing is also responsible for overseeing the Disadvantaged Business

Enterprise program that ensures small businesses owned by socially and economically disadvantaged individuals have access to federally-assisted contracts.

#### **Communications & Customer Service**

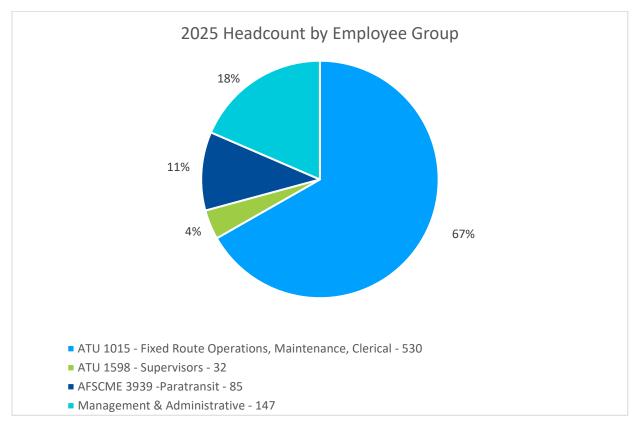

Communications staff is responsible for Agency marketing and communications, along with media relations. They produce informational and educational materials about the Agency and promote awareness about-STA's transit services. The Department manages the website and real-time customer communications, and social media. The Customer Service team is responsible for pass/fare sales and assisting customers with schedules and trip planning.

## **Employees**

STA's Adopted 2025 budgeted workforce consists of 768 full-time and 26 part-time employees, summarized across Departments as follows. A full detail of positions by functions is included in the Appendix section.

	Headco	unt	
Department	Full-Time	Part-Time	Total
Onematicus			
Operations			
Fixed Route	369	25	394
Paratransit (directly operated)	93	0	93
Rideshare	2	0	2
Vehicle Maintenance	114	0	114
Facilities & Grounds Maintenance	35	0	35
Total Operations	613	25	638
Administrative			
Executive	5	0	5
Planning & Development	24	0	24
Human Resources including Security	59	0	59
Finance, Purchasing, and Information Services	41	1	42
Communications & Customer Service	26	0	26
Total Administrative	155	1	156
Total Agency Headcount	768	26	794

About 647 STA employees or 82 percent of the workforce are represented by one of three labor unions, in addition to non-represented management and administrative staff. The breakdown by employee group is as follows:

Staffing in 2025 includes an increase of 22 positions from the 2024 budget.

The new positions include, by function:

#### **Fixed Route**

- 1 Fixed Route Manager
- 1 Deputy Director of Operations
- 1 Operations Data & Research Analyst
- 1 Parts Clerk

#### **Security**

- 1 Lead Transit Officer
- 1 Security Specialist
- 10 Transit Safety Ambassadors

#### **Maintenance**

- 2 Servicers
- 1 General Repair Vehicle Technician
- 1 Journeyman Vehicle Repair Technician

#### **Administration**

- 1 Human Resources Manager
- 1 Safety Administrator

# Capital Budget

#### Rolling Stock (Vehicles)

STA's Capital Budget includes \$22.9 million for procurement of 48 revenue and non-revenue vehicles.

Revenue Vehicles – The budget for revenue vehicles is \$22.7 million for procurement of 44 vehicles. Revenue vehicles are those coaches and vans used to provide revenue service to passengers in the STA Public Transportation Benefit Area (PTBA). There are 22 fixed route forty-foot clean diesel coaches planned for replacement at a cost of \$15.9 million, 5 fixed route double decker signature coaches for expansion at a cost of \$5.2 million, 6 paratransit vans at about \$1.0 million, and 11 rideshare vehicles at about \$0.6 million. STA expects to receive \$3.8 million in federal and state funding to support the purchase of these vehicles.

Non-Revenue Vehicles – Non-revenue vehicles include vehicles needed for operations such as supervisor trucks, security vehicles, maintenance trucks, and road cars. STA plans to replace 4 non-revenue vehicles at a cost of \$0.2 million in 2025.

#### Facilities - Maintenance & Administration

STA's Facilities Maintenance & Administration total budget for 2025 amounts to \$5.9 million. This includes \$4.2 million for preservation and enhancement of the STA maintenance and administration facilities at Boone which includes an electrical system upgrade for the Boone facilities, HVAC maintenance, a Clean Building audit, and the fire suppression upgrade. Fleck Center preservation and improvements of \$0.6 million for 2025 include completing the bus/van washer replacement as well as the fuel tanks. The capital budget for Facilities Maintenance and Administration also includes \$0.6 million for an update to the Facility Master Plan as well as \$0.5 million for other miscellaneous equipment and fixture needs of the Agency.

#### Facilities - Passenger & Operational

STA Facilities for Passenger and Operational needs for the 2025 budget is \$11.8 million. Included are upgrades to Park and Rides and Transit Centers, \$2.4 million of which includes West Plains Transit Center Operational Expansion and Enhancements and on-route charging infrastructure at Hastings Park and Ride and on HPT Route 9. STA plans to spend \$2.0 million for preservation and improvements to the STA Plaza focused on the Clean Building improvements as well as replacements of the fire panel, trash compactor, and design of Plaza Bay 1 for future construction. Route and Stop Facility Improvements and Near-Term Investments focus on those operational improvements for passengers and operations such as shelters, lighting, updates to bus stops, operator comfort stations and accessibility improvements. The 2025 budget for Route and Stop Facility Improvements and Near-Term Investments is \$7.4 million.

#### Technology

The total budget for Technology projects for 2025 is \$7.6 million. This includes Enterprise Asset Management System Implementation, Project Management Software, Communications Technology, Computer Equipment Preservation and Updates, Information Systems Infrastructure and End User Equipment, Operating and Customer Service applications, and Security and Access Technology.

#### High Performance Transit Implementation

STA's budget for 2025 High Performance Transit Implementation totals \$13.5 million. This includes continuing City Line obligations of \$0.5 million and the Cheney Line at \$0.3 million. In addition, STA has budgeted \$8.1 million for I-90/Valley Line projects such as Mirabeau Transit Center Improvements, planning for the Appleway Station Park

and Ride as well as the new Argonne Station Park & Ride. The Sprague Line will continue with a 2025 budget of \$3.0 million along with the Monroe-Regal Line and the West Broadway Line at \$1.0 million and \$0.6 million respectively.

#### Connect 2035

The Capital Budget for 2025 includes the Division Street Bus Rapid Transit (BRT) project and the Wellesley HPT Line Design as part of the Connect 2035 Strategic Plan. The 2025 budget for Division Street BRT is \$5.6 million with \$0.2 million for Wellesley HPT for a total of \$5.8 million.

#### Cash and Reserves

STA is a debt-free Agency and, as such, manages its resources to create a sustainable and balanced budget. The Cash balance represents the available cash resources of the Agency as of the end of the Budget period after 2025 budgeted operating and capital activities and Reserves, which are Board approved committed amounts.

# **Cash and Reserves Analysis**

	A	mended 2025 Budget

<sup>&</sup>lt;sup>1</sup> Estimated end of year cash balance after reserves are used for future capital expenditures included in the 2025-2030 Capital Improvement Plan

#### Reserves

The Board of Directors adopted Board Resolution 630A-07 and 804-22 to establish selected designated cash reserve policies to include Self-Insurance, Operating Reserve and Real Estate related Reserves.

**Self-Insurance Risk Reserve** — A total of \$5.5 million was designated to provide catastrophic self-insurance coverage for underground storage tanks to protect the Agency from exposure beyond the financial resources available through the Agency's insurance coverage.

**Operating Reserve** — A reserve equal to 15% of the annual adopted operating expense budget was established to protect the Agency from sudden and unforeseen financial challenges from fluctuating revenues or expenditures, by creating access to short-term liquidity when needed.

**Right of Way Acquisition Reserve** – In the normal course of its operations and capital development efforts, STA works in the right of way of others and must have a mechanism to quickly address issues that may impact delivery of service or capital projects. This reserve of \$4.95 million allows the Board to respond to right-of-way issues which cannot be planned.

**Real Estate Reserve** – STA's current and next strategic plans contain projects which call for significant investments in real estate to accomplish their desired capital and operational objectives. This reserve of \$25 million provides a mechanism for the Board of Directors to make the acquisitions.

#### Fleet Replacement Fund

This fund was created as a mechanism to smooth the impact to cash of replacement and expansion of fixed route buses and paratransit vans. While not an officially designated reserve, it is used specifically for capital investments related to vehicles used in STA service. Annually, as part of the budget, STA funds and the Board of Directors approve the contribution to bring the fund to the appropriate level based on future vehicle purchases.

## **BOARD RESOLUTION AMENDED 2025 BUDGET**

RESOLUTION NO.	835-25
----------------	--------

A RESOLUTION FOR THE PURPOSE OF AMENDING THE STA 2025 BUDGET AND OTHER MATTERS PROPERLY RELATING THERETO.

#### SPOKANE TRANSIT AUTHORITY

Spokane County, Washington

BE IT RESOLVED BY THE SPOKANE TRANSIT AUTHORITY as follows:

WHEREAS, the Spokane Transit Authority (STA) is a municipal corporation operating and existing under and pursuant to the Constitution and the laws of the state of Washington, pursuant to RCW Title 36, Chapter 57.A, Public Transportation Benefit Area;

WHEREAS, the STA Board of Directors, pursuant to state law and the STA Bylaws, Article III Section 3.1(5), shall have the power to prepare and adopt a budget and establish financial policies;

WHEREAS, by Resolution No. 830-24, adopted December 19, 2024, the STA Board of Directors approved and adopted the 2025 Budget and the final budget is on file with the Clerk of the Authority (the "2025 Budget");

WHEREAS, unbudgeted and unanticipated expenditures arose after the 2025 Budget was adopted by the Board of Directors, specifically expenditures necessary to: (1) obtain required parts for Proterra-manufactured buses post company bankruptcy, (2) repair and maintain City Line high-voltage cabling, and (3) replace unsupported battery model and ensure service reliability;

WHEREAS, the interim Co-Chief Executive Officers are recommending the Board approve amending the 2025 Budget to appropriate and reflect the previously unbudgeted expenditures, as set forth herein;

WHEREAS, the Board recognizes it is in the best interests of the agency to amend Resolution No 830-24 and the 2025 Budget as set forth herein;

NOW, THEREFORE BE IT RESOLVED by the Board of Directors of STA as follows:

Section 1. The STA Board of Directors finds it necessary, proper, and in the best interest of the Agency to amend the 2025 Budget and hereby amends Resolution No. 830-24 and the 2025 Budget by an increase of \$3,820,000 to the 2025 Operating Expenses budget for the expenditures set forth herein, resulting in the following amended 2025 Budget:

SOURCE OF FUN	DS
Revenues	\$ 155,724,280
Capital Grants	\$ 14,833,870
From Cash Balance*	\$ 48,734,229
Total Source of Funds	\$ 219,292,379

USE OF FUNDS	
Operating Expenses *	\$ 135,259,729
Capital Projects	\$ 67,553,927
Fleet Replacement Allocation	\$ 16,478,723
Total Use of Funds	\$ 219,292,379

BOARD DESIGNATED CASH RESERVES	
Operating Reserve (15% of Operating Expenses)*	\$ 20,288,959
Risk Reserve	\$ 5,500,000
Right-of-Way Acquisition Reserve	\$ 4,950,000
Real Estate Acquisition Reserve	\$ 25,000,000
Total Board Designated Cash Reserves	\$ 55,738,959

<sup>\*</sup>italicized amounts above denote impact of budgetary amendment

Section 2. The STA Board of Directors hereby authorizes and instructs the interim co-Chief Executive Officers to take all action necessary and proper to carry out the purposes intended by the amendments to the 2025 Budget and to administer the provisions and appropriations as amended.

<u>Section 3.</u> This resolution is effective immediately upon adoption and Resolution No. 830-24 is hereby amended to reflect the actions taken herein.

Section 4. Any actions of the interim co-Chief Executive Officers, Board of Directors, or staff of STA prior to the date hereof and consistent with the terms of this Resolution are ratified and confirmed.

SPOKANE TRANSIT AUTHORITY:

Pam Haley

**Board Chair** 

Adopted by STA at a regular meeting thereof held on the 20th day of March 2025.

ATTEST:

Dana Infalt

Clerk of the Authority

Approved as to form:

Megan Clark Legal Counsel

Amended 2025 Budget

# **APPENDIX**

## Glossary

**Accrual Basis of Accounting** – A method of accounting that matches revenues and expenditures with the period to which they relate rather than received or distributed.

**Americans with Disabilities Act (ADA)** – Federal legislation mandating specific requirements for vehicles and facilities to accommodate the disabled.

Agency – As a government agency, Spokane Transit is referred to as "the Agency" throughout this document.

**Appropriation** – A legal authorization granted by a legislative body to make expenditures and to incur obligations for specific purposes.

**ARPA** – The American Rescue Plan Act, which President Biden signed on March 11, 2021, includes \$30.5 billion in federal funding to support the nation's public transportation system as they continue to respond to the COVID-19 pandemic and support the President's call to vaccinate the U.S. population.

Beginning Balance – The cash balance as of January 1.

**Benefits** – Employer paid costs provided for employees such as retirement contributions, medical and dental insurance premiums, workers' compensation, and paid time off.

**Boardings** – Passengers are counted each time they board revenue vehicles no matter how many vehicles they use to travel from their origin to their destination. The official name of this statistic in National Transit Database (NTD) terms is "unlinked passenger trip."

**Budget** – A financial plan for revenues and expenditures, according to a set of strategic decisions made by Agency leadership, which is approved by the Board of Directors annually. The budget funds initiatives and controls expenditures within boundaries.

**Budget Amendment** – A budget amendment is a formal action of the Board of Directors to approve changes after the initial budget adoption.

**Budget Revision** – A budget revision is a record of change to the budget with no financial impact, such as reclassification of costs.

**Bus Rapid Transit** – Bus Rapid Transit systems are designed to carry larger numbers of riders with greater speed, reliability, and frequency than a standard fixed-route bus.

**Capital** – Purchase or construction project that has a cost of greater than \$5,000, or \$50,000 aggregate, and a useful life of greater than one year.

Capital Budget – A portion of the annual budget that appropriates funds for the purchase of capital items.

**CARES Act**—The Coronavirus Aid, Relief, and Economic Security (CARES) Act was passed by Congress and signed into law by President Trump on March 27th, 2020. The CARES Act, a \$2+ trillion economic relief package, provided direct economic assistance for American workers and families, for small businesses, and for state and local governments, as well as preserves jobs for American industries.

**Consumer Price Index (CPI)** – A statistical description of price levels provided by the U.S. Department of Labor that measures the change in the cost of goods purchased in comparative timeframes.

**Cost per Passenger** – The cost of carrying each passenger determined by dividing the total cost of carrying all passengers by the total number of passenger trips.

**Cost per Vehicle Mile** – The cost of traveling one mile determined by dividing the total cost of providing service by the total number of miles traveled.

**CRRSAA** – The Coronavirus Response and Relief Supplemental Appropriations Act was signed into law on December 27, 2020. This includes \$900 billion in supplemental appropriations for COVID-19 relief. Of that, \$14 billion was allocated to support the transit industry during the COVID-19 public health emergency.

**Deadhead Time** – The number of hours a bus is traveling while not in revenue service. Includes travel between the garage and the beginning/end of a route or travel between two routes when the vehicle is not actually in service.

**Department** – An organizational unit of the Agency responsible for carrying out Agency functions.

**Encumbrances** – A classification of expenditures committed for goods or services for which payments have not been made.

**Ending Balance** – The cash balance as of December 31.

**Expenditure** – The payment of cash or the transfer of property or services for the purpose of acquiring an asset, service, or materials.

**Expenses** – Decreases in net total assets that represent the total cost of operations during a period regardless of the timing of related expenditures.

**Farebox Recovery Ratio** – The current standard fare rate divided by the operating cost per passenger. The operating cost per passenger is the total cost of fixed route operations divided by the total number of passengers.

Fiscal Year – The fiscal year for Spokane Transit is the calendar year January 1 through December 31.

**Fixed Route** – Bus operations that adhere to a published schedule on specific routes.

**Full-time Equivalents (FTEs)** – Units used for measuring personnel according to the percentage of hours worked annually, based on a 40-hour workweek / 52 weeks / 2080 hours.

**Grants** – A contribution by a government or other organization to support a particular function.

**Insurance Budget** – A portion of the annual budget that appropriates funds for Property and Liability Insurance provided by WSTIP (defined below).

**Insurance Reserve** – Reserves set at a level to adequately protect the Agency from self-insurance risks that are evaluated annually.

**Key Performance Indicators (KPI)** – Measures by which Spokane Transit evaluates the effectiveness and efficiency of its operations.

**Maintenance and Operation Expenditures (M&O)** – This term refers to expenditures paid to obtain goods or services, including services, supplies, fuel, utilities, insurance, etc. This category does not include personnel or capital expenditures.

Operating Budget – A portion of the annual budget that appropriates funds for continued operations.

**Paratransit** – A shared ride, ADA compliant service provided within ¾ of a mile of a fixed bus routes to those with a disability that prevents them from using the regular bus.

**Personnel** – This item includes the cost of all salaries, wages, overtime, and benefits associated with the Agency's staff.

**PTBA** – Public Transportation Benefit Area is a special taxing district established by Washington State for the purpose of providing public transportation. The PTBA includes the cities of Airway Heights, Cheney, Medical Lake, Millwood, Liberty Lake, Spokane, and Spokane Valley, as well as portions of the unincorporated county of Spokane surrounding those municipalities where the Agency provides public transportation services within its boundaries which extend to roughly 248 square miles.

**Reserve** – Reserves maintained to provide sufficient working capital and balance to finance cash flow requirements, unanticipated downturns in revenues, and provide funds for emergency expenditures set by Board of Directors.

Revenue – Income received by the Agency from all sources in support of its program of services to the PTBA.

**Revenue Hours** – A calculation of service based on the number of hours a vehicle is in service providing passenger trips (and is potentially collecting fare revenue). Revenue hours do not include deadhead time but do include layover time between trips.

**Revenue Miles** – A calculation of service based on the number of miles in which a vehicle is in service providing passenger trips (and is potentially collecting fare revenue).

Revenue Vehicle – Any vehicle which provides service resulting in fare revenue for the Agency.

Ridership – The total number of passenger boardings on fixed route, paratransit, or rideshare in a year.

**Rideshare** – A commute group with a vehicle maintained by STA. A minimum of three people who live and work near each other commuting together in an STA Rideshare vehicle.

**Rolling Stock** – A category of capital assets consisting of transit vehicles such as buses, vans, cars, as well as vehicles used for support services.

**Sales Tax** – Local, voter approved sales tax on certain forms of consumption levied by the State of Washington within the Public Transportation Benefit Area for the Agency in the amount of eight-tenths of one percent (0.8 percent).

**Self-insurance** – The items determined to be administered by the Agency rather than covered by an insurance policy.

**Service Hours** – A calculation of service based on the number of hours a vehicle is on the road, includes revenue, recovery, and deadhead hours.

**WSTIP** – The Washington State Transit Insurance Pool consists of twenty-five Washington State public transit agencies, who combine their resources in order to provide and purchase insurance coverage, manage claims and litigation, and receive risk management assistance and training.
